Chapter 1 by Story Wars

"So let me get this straight. You bake birthday cakes for cats for a living?"

Chapter 2 by BubbleTrouble

"Well, sorta.", I replied. My friend, Ruby, was in disgust. She never understood why I did this.

"Ok, so you bake cakes for cats? How does it even work, I thought cats hated cake!", she said. "I like doing it! It's fun!".

I as a human being, of course, wanted her to understand. My birthday was coming up and I wanted to make a special cake for me. The cake would be a wonderful red velvety, creamy cake. It would be very tall, and have lots of wonderful designs.
